

SPARKS 2.0

Test now 30 days for free!

With the new version Sparks 2.0, our Excel add-in is now even more stable and much more functional.

Sparks 2.0 allows you to work smoothly with the new Excel version of Office 365 and the latest Windows operating system.

Our development is in the final testing phase and it will only take a few weeks until this new version is released. To celebrate this event, we are already offering you a free 30-day trial version of Sparks 2.0.

You are interested in getting to know our Excel reporting tool Sparks?

Then do not hesitate to contact us.

We will gladly activate a free license for you.
