INTRODUCING OURSELVES

A TOUR OF OUR PORTFOLIO

Increasing efficiency.

… is our motto. Enhancing our customers' efficiency through our products is essential to us. We support you in reporting, process management, finance, controlling, logistics, and resources. Whether as an SAP-integrated Excel layout, a web interface in SAP, or purely in Excel – with all our software solutions, we focus on making our customers' daily work better, faster, and more efficient.

WHO WE ARE.

Kern AG is one of the leading software providers for finance in the fields of control-ling, sales, logistics, and reporting. For over 20 years, our solutions have bridged the gap between Microsoft Excel and SAP worldwide.
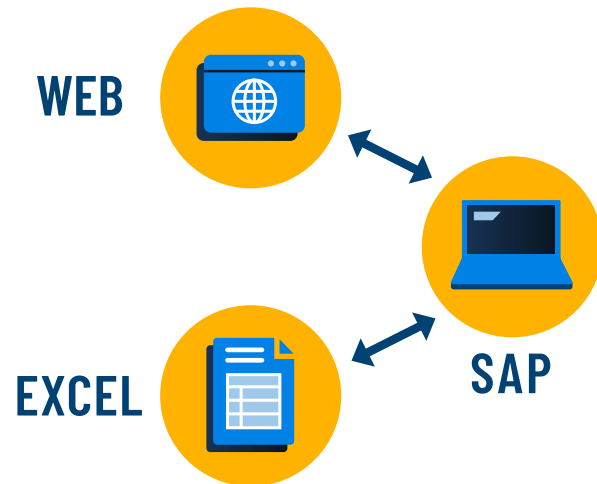

WHAT WE OFFER.

Our core competency is the full integration of Excel into SAP, a web interface with SAP connectivity, and Excel-based reporting. From global players like Adidas and Siemens to national leaders like ADAC and EnBW, and even local institutions such as municipal utilities or hospitals – over 300 customers worldwide value our unique applications.
